

Underhill Roads Committee

Meeting No. 12

5/14/18

Members present: Kurt Johnson, Nate Sullivan, Mike Weisel, Clarke Elliott, Andy Rowe
Guest: Dick McIlvaney (sp?) from S. D. Ireland

Meeting convened at 5 pm at Town Hall

Paving bids

- Paving bids for 2018 have been received with the following results:

| <u>Contractor</u> | <u>Price per ton</u> | <u>Est. tons</u> | <u>Est. length</u> | <u>Total price</u> |
|-------------------|----------------------|------------------|--------------------|--------------------|
| Whitcomb | \$67.79 | 1,475 | 11,090' | \$99,990 |
| Ireland | \$63.27 | 1,580 | 7,900' | \$99,996 |
| Hutchins | \$66.00 | 1,500 | 7,350' | \$99,000 |
| Pike | \$65.10 | 1,530 | 10,300' | \$99,600 |

- The committee unanimously recommended selecting S. D. Ireland based on his low bid per ton.
- For Ireland, June 4 to June 19 would be good timing to do the work which he estimates to be 2 days
- We discussed adding line striping to Ireland's contract with the striping being done after July 1 to ensure proper timing of the project with respect to the Town's constraints with fiscal year expenditures

Crack sealing bids

- Crack sealing bids for 2018 have been received with the following results:

| <u>Contractor</u> | <u>Cost per day</u> | <u>Estimated product used</u> |
|-------------------|---------------------|-------------------------------|
| Fresh Coat | \$3,600 | No value given |
| Nicom | \$3,950 | 1,375 gal. |

- The committee recommended using Nicom based on the incomplete bid from Fresh Coat and on last year's failure to meet expectations of road length sealed

Bridge 8 repair/Irish Settlement Road culvert

- On Wednesday, May 16, there will be a site visit of both sites for prospective proposers. It will be attended by Kurt, Cricket, Brian and Nate
- Kurt noted that if we had a State/Federal bridge grant for Bridge 8 and if we were to close the road for construction, our share of the cost would only be 2.5%

CIP worksheet

- Kurt gave us the latest draft of a CIP 10 year worksheet with numerous projects and project costs entered
- He reviewed all categories and asked members to consider more fully before the next meeting
- We will discuss in more detail at our next meeting

Next meeting

- June 11 at 5 pm at Town Hall
- Potential agenda items
 - Review Bridge 8 and Irish Settlement culvert proposals
 - Review paving schedule and scope based on an updated Town financial picture
 - Discuss crack sealing goals
 - Further discussion of CIP spreadsheet

Meeting adjourned at 6:40
